

LINDEN LEAF & FLOWERS

Botanical Name: *Tilia europea*

Common Name: European linden, European lime tree, common lime (British Isles) or common linden (North America)

Medicinal part: Flowers and leaves

Description: *Tilia × europaea*, generally known as the common lime (British Isles) or common linden (North America), is a naturally occurring hybrid between *Tilia cordata* (small-leaved lime) and *Tilia platyphyllos* (large-leaved lime). It occurs in the wild in Europe at scattered localities wherever the two parent species are both native. It is not closely related to the lime fruit tree, a species of citrus.
